February 2024, Vol. 70, No. 2

Dr. Cheryle Baptiste

Letter from DC Dental Society President Cheryle Baptiste, DDS, FICD, FIAMDI

Dear DC Dental Society Members,

As we usher in the month of February, our agenda is bustling with important activities and initiatives.

We commence February by celebrating both National Children's Dental Health Month and Black History Month. I encourage all of you to stay engaged by visiting the National Dental Association's Facebook page daily for insightful Black

History posts.

I extend our heartfelt gratitude to the DCDS Public Policy Committee and the recently established Medicaid Subcommittee for their dedicated efforts. They have been diligently addressing various crucial topics, including:

- Dental Hygiene and Dental Assistants Scope of Practice Amendment Act of 2023 ([Text of B25-0347](#))
 - Read DCDS [Comments on B25-0347](#)
- Dental Specialties Licensure and Scope of Practice Amendment Act of 2023 ([Text of B25-0632](#))
- Health Occupations Revision General Amendment (HORA) Act of 2023 ([Text of B25-0545](#))
 - Read DCDS [Comments on B25-0545](#)
- [Clean Hands Certification Economic Expansion and Revitalization Amendment Act \(B25-619\)](#)
- Advocating for increased Medicaid fees
- Advocating for the creation of a DC Dental Director
- Exploring options to support insurance reform
- Activities of the Board of Dentistry where DCDS regularly provides comments (See [minutes from past meetings](#))

It is essential to emphasize the life-saving significance of addressing community dental needs. Only about 20% of dentists in the USA accept the Medicaid program. Tragic

Letter from the President

stories like those of 12-year-old [Deamonte Driver](#) in 2007 and 24-year-old [Kyle Willis](#) in 2011 underscore the urgency of our mission to ensure access to dental care for all.

On February 2, 2024, we celebrated Give Kids A Smile Day, marking the 22nd year of the ADA Foundation's program. The national kickoff event at Howard University College of Dentistry provided free oral health education, screenings, and treatment for underserved children. You can read more from [ADA News](#).

I recently attended a community event under a new partnership called the Bridge to Better Smiles program. This collaboration between Crest + Oral B, the National Dental Association, NDA Foundation, Howard University College of Dentistry, United Negro College Fund, and Family Dollar aims to bridge the gap in oral care within our communities. The CASG Kare Van was on location in NE Washington DC for a community outreach event, generously hosted at the Family Dollar store. Additionally, Bridge to Better Smiles offers valuable scholarship opportunities for our dental, hygiene, and dental assistant students.

I am looking forward to the [2nd National Health Equity Symposium: Building Equity and Inclusion](#), taking place virtually on February 12-13, 2024. This event, hosted by Howard University College of Dentistry, will feature esteemed speakers and sessions focused on resilience, service, sustainability, and health equity.

Lastly, mark your calendars for the DCDS Monthly meeting on February 13 featuring Drs. Roseann Mulligan and Piedad Suarez Durall presenting "To Do or Not to Do: When, Why, and How to Treat the Oral Health Needs of Older Adults." See page 3 for more information and to register.

Wishing you all a wonderful Valentine's Day filled with love and warmth.
Warm regards,

Cheryle Baptiste, DDS, FICD, FIAMDI

Tuesday, February 13th Meeting (Virtual Only): “To Do or Not to Do: When, Why, and How to Treat the Oral Health Needs of Older Adults ”

Presented by Drs. Roseann Mulligan and Piedad Suarez-Durall

Business Meeting Begins at 5:45 PM

Education Program Begins at Approximately 6:00 PM

Lecture Format

CE Credits Offered: 2.0 CE Credits

Cost: Free to DCDS Members | Non-Members--\$75 | Dental Office Staff-\$45

Disclosures: None

Meeting Description:

Increasing worldwide percentages of older adults and their associated multiple chronic systemic diseases present many challenges to those providing oral health care. In this presentation, we will address issues such as the higher retention of teeth by older adults, the importance of assessing the patient's capabilities and functionality, the critical need for multiple ongoing prevention strategies, advanced periodontal care, early detection of root caries, appropriate selection of restorative materials, and tooth substitutes within the context of frequent findings seen with older adult patients.

Learning Objectives:

- Evaluating your patients through the assessment of their vitals, signs and symptoms, medications, and functionality to treat them safely.
- Recognizing the most common oral conditions in older adults and how to treat them.
- Understanding treatment modifications and options for older adults.
- Recognizing the value of chemotherapeutics to prevent further oral disease.

Visit the [DCDS Registration Fees & Cancellation Policy page](#) for more details on registration and [read about the presenters here](#). The District of Columbia Dental Society is an ADA CERP Recognized Provider.

Dr. Piedad Suarez-Durall

Upcoming 2024 Continuing Education Presentations

As a reminder all members of the DC Dental Society, including those in a residency program, can attend our monthly meetings at no cost. I hope you will join us in-person at the DCDS office to reconnect with your friends and colleagues in the dental community over dinner, while earning up to 2 hours of continuing education.

Monthly business meeting begins at 5:45 p.m. Educational session begins at approximately 6:00 p.m. [Visit the DCDS website](#) for course information, speaker bios, fees and cancellation policy.

About DCDS Speakers

Your DC Dental Society has developed a continuing education program that features leading experts in dental care whether they practice across the country or down the street. The inclusion of local presenters on the program for DCDS monthly meetings is intended to foster collegiality and support our local community. DCDS does not endorse one specialist over another, but celebrates D.C. talent.

Meeting Date	Meeting Topic	Speaker
February 13, 2024	Geriatric Dentistry	Dr. Roseann Mulligan Dr. Piedad Suarez Durall
March 12, 2024	Leasing Guidelines for Dental Offices	Mr. Lewis Gelmon
April 9, 2024	Airways	Dr. Tracy Nguyen
May 14, 2024	Implant Anterior Aesthetics	Dr. Jonathan Esquivel
September 10, 2024	Breathing Disorders/ Myofunctional Therapy	Ms. Gillian Gladstone Teran
October 17, 2024	Updates on Current Dental Materials	Dr. Nate Lawson
November 14, 2024	Risk Management and Malpractice Avoidance	Dr. Marc Leffler
December 10, 2024	Cybersecurity	Mr. Gary Salman

Continuing Education Disclaimer: The District of Columbia Dental Society is an ADA CERP Recognized Provider. ADA CDEL AAL/ITL Teacher Scholarship Announcement

The ADA Council on Dental Education and Licensure is granting three (3) tuition scholarships to the Academy for Advancing Leadership's Institute for Teaching and Learning (AAL/ITL) — as part of a commitment to support dental education and ADA general dentist members interested in serving full or part-time in dental academia.

The ITL program is presented as a four-day onsite program with class discussions, small-group projects, problem-solving exercises, self-directed coursework, peer feedback, and presentations by ITL Scholars. The 2024 program will be offered on August 26-29, 2024 at the ADA Headquarters Building. Although individuals may apply at any time during the year, the 2024 deadline is March 29, 2024. Scholarships will be granted by May 16. Each scholarship is in the amount of ITL tuition (\$3,500).

For more information regarding the ADA-CDEL scholarships, including the complete list of criteria and eligibility requirements, visit ADA.org at: [ADA CDEL Scholarship Information](#). To access complete information about the AAL/ITL visit [AAL/ITL](#).

DC DENTAL SOCIETY FOUNDATION

Feel the joy. Sign up for DC Dental Cares, the DC Dental Society Foundation's pro bono program.

This program is win-win-win: for our community, for the individuals who receive dental procedures that would not otherwise be possible due to costs, and for the DCDS volunteer who gains that warm feeling that comes from doing good.

Patients are fully vetted for need by our partner, the Catholic Charities Healthcare Network (CCHCN), and the treating dentist sets the level of care provided. You can treat one person a year or several a month, all while in the comfort of your own office.

DC Dental Cares Sign Up Form

A Joy to Serve
"It just brings a joy to the heart to serve and give expecting nothing in return and the gratefulness of the patients is infectious." Dr. Rodney Savoia

MEMBER VALUE

Save hundreds with DCDS and ADA Programs and Discounts

DC Dental Society has partnered with the following companies to bring you discounted pricing on the supplies and services for your practice.

Dental Supplies

Insurance

Endorsed Credit Card Processor

Educational Loans

Compliance Services

Consulting on Credit Card Fees

ADA Endorsed Programs

ADA endorsed companies bring you special member savings on products and services designed specifically to work for your practice: from professional liability insurance to business credit cards to office supplies and computers. There are also endorsements geared towards your home life, such as health insurance, appliances, and even automobiles.

Many members are able to recoup a great deal of their dues dollars through the savings they receive by simply participating in these programs. Take advantage of the benefits of membership.

For more information about these programs, visit the [DCDS website](#)

Address Confidentiality Program

About the Program

The District's **Address Confidentiality Program (ACP)**, administered by the Office of Victim Services and Justice Grants (OVSJG), helps people at risk of harm stay safe by shielding their street address from public records. ACP services are intended as one tool in an individual's broader safety plan.

This free program provides participants with:

- A legal substitute address to protect their **home, work, or school address**
- A confidential **mail-forwarding** service.

Who Is It For?

You may qualify for the ACP if you:

- (1) fear for your safety;
- (2) currently (or will soon) reside in the District of Columbia; AND
- (3)
 - Have experienced domestic violence, sexual assault, stalking, or human trafficking;
 - Are employed by an organization whose primary purpose is serving victims who have experienced the above offenses; OR
 - Are employed by an organization that focuses on reproductive healthcare.

Applicants are also required to: have moved within the past 60 days, be planning to move within the next 30 days, or have taken adequate measures to ensure their current address is not easily accessible online or through public records. Both adults and children may qualify.

How to Apply

Application assistants are available in several agencies across the District to answer questions, verify eligibility, and accept applications. They also can provide advocacy services and help you develop a comprehensive safety plan based on your individual needs.

To learn more about the ACP or submit your application, reach out to an application assistant at any of the organizations listed at: ovsjg.dc.gov/acp.

Or contact the **Address Confidentiality Program** directly at ACP@dc.gov • (202) 788-2131

GOVERNMENT OF THE
DISTRICT OF COLUMBIA
MURIEL BOWSER, MAYOR

WWW.OVSJG.DC.GOV

Address Confidentiality Program

How Does the ACP Work?

Substitute Address

Applicants who qualify receive an ACP **authorization card** with a substitute address. This card can be presented to any DC agency in place of your real home, work, or school address. Authorization cards are initially valid for 3 years.

With this legal substitute address you can interact with DC agencies without fear of your actual address appearing in public records. With a substitute address you can:

- Get a DC driver's license or ID card
- Enroll children in DC public/charter school
- Vote and sign petitions

While only District agencies are required to honor the substitute address, placing it on a DC driver's license or ID card will protect your actual address in many day-to-day situations.

Mail Forwarding

When first-class, certified, or registered mail is received at the substitute address, it is forwarded to your home address.

Limitations

A substitute address does not guarantee your actual address will not be required by other non-government agencies. Your real address will still be required for certain activities, including:

- Purchasing a home or property. (Note that the address may appear in related public listings.)
- Applying for a line of credit on your home.
- Setting up utilities for your home.

Additionally, the ACP does not forward junk mail, packages, or magazines; an advocate or application assistant can help you plan for safely receiving that mail. Other limitations may also apply.

ADA releases new recommendations to enhance radiography safety

ADA Morning Huddle, February 2, 2024

The ADA no longer recommends using thyroid collars on patients during radiographic exams. Before taking radiographs, dentists should also consider what diagnostic information they need from the images to benefit patient care or substantially improve clinical outcomes, according to new recommendations developed by an expert panel established by the ADA Council on Scientific Affairs.

Study highlights concerns on lack of regulation for AI products

ADA Morning Huddle, February 5, 2024

A paper from the Qualcomm Institute at the University of California Dan Diego discusses the lack of a standardized approval process for artificial intelligence products in health care. The study focuses on a recent White House executive order directing the Department of Health and Human Services to create AI-specific regulatory strategies for equity, safety, privacy, and quality in health care.

[Full Story: Study Highlights AI Regulation Concerns](#)

New ADA guideline recommends NSAIDs for dental pain in adults

ADA Morning Huddle, February 6, 2024

A new clinical practice guideline from the ADA recommends nonsteroidal anti-inflammatory drugs taken with or without acetaminophen as first-line treatments for managing acute dental pain in adults and adolescents 12 and older. When used as directed, NSAIDs, such as ibuprofen and naproxen, can effectively manage pain after a tooth extraction or during a toothache when dental care is not immediately available.
