## Letter from DC Dental Society President Cheryle Baptiste, DDS, FICD, FIAMDI

Dear Members of the DC Dental Society,  
As we step into October, I want to take a moment to recognize the many important observances this month brings, including National Dental Hygiene Month and Breast Cancer Awareness Month. These initiatives remind us of the vital role we play in promoting health and wellness in our communities. Additionally, we are in the midst of National Hispanic Heritage Month, which celebrates the rich culture and contributions of the Hispanic community.

**Dr. Cheryle Baptiste**

This month is also filled with meaningful dates that touch on various aspects of health and well-being. From World Smile Day on October 4 to World Mental Health Day on October 10, each observance provides us with opportunities to engage with our patients and promote awareness about essential health issues. Let's also take a moment to acknowledge Rosh Hashanah and Yom Kippur, significant times for reflection and renewal within the Jewish community.

I would like to extend my heartfelt congratulations to those who were inducted as Fellows of the International College of Dentists last month in Nashville, TN. Your dedication and hard work in the field of dentistry are truly commendable.

A big thank you to the members of the Membership, Education, Public Policy Committees, and the Medicaid subcommittee for your tireless efforts in advancing our mission. Your contributions are invaluable to our society and the dental community at large. I am excited to share with you that DCDS is also forming a Wellness Committee. I invite you to get involved in your DC Dental Society by joining a committee and actively supporting our programs.

The evening of Wednesday, October 30, you have an opportunity to participate in a special activity for our soon-to-be fellow dentists at the Howard University College Dentistry. DCDS will host a series of mock interviews over Zoom for Howard D4 students. I hope that you will volunteer and help our local dental student burnish their interviewing skills as they prepare for their career after dental school.

Please email [info@dcdental.org](mailto:info@dcdental.org) if you would like to volunteer for any of these opportunities.

## Letter from the President, Continued

On September 21, Mr. Kurt Gallagher and I had the pleasure of attending the Chesapeake Dental meeting in Hanover, MD. We enjoyed surveying the exhibit hall, connecting with the movers and shakers of the Maryland State Dental Society and attending a portion of their House of Delegates session.

I also want to recognize Dr. Charles Doring, a fellow dentist of the greater Washington region, for receiving an award at the Maimonides Dental Society meeting last month. Your achievements inspire us all!

I was honored to join the DCDS delegation at the ADA 4th District House of Delegates meeting in Wilmington, Delaware, on September 28. A special thank you to Dr. Katie Clark for her role as an ADA Wellness Ambassador, where she opened the session with a thoughtful invocation and actively engaged with ADA President-Elect candidates. I am grateful to Dr. Angela Noguera, Dr. Sally Cram, Dr. Clare McGorry, Dr. Patrick Grogan, and Mr. Kurt Gallagher for representing our society with such dedication.

As we look ahead, please mark your calendars for our upcoming DCDS continuing education meetings:

- **December 10:** Gary Salman – "Teeth, Tools and Technology: A Holistic Approach to Cybersecurity"

I also want to highlight several important upcoming events:

## *An Honor to Serve*

Dr. Jarred Abel

## **Sign up for DC Dental Cares, the DC Dental Society Foundation's pro bono program.**

This program is win-win-win: for our community, for the individuals who receive dental procedures that would not otherwise be possible due to costs, and for the DCDS volunteer who gains that warm feeling that comes from doing good.

Patients are fully vetted for need by our partner, the Catholic Charities Healthcare Network (CCHCN), and the treating dentist sets the level of care provided. You can treat one person a year or several a month, all while in the comfort of your own office.
